**Abstract—** Summarize your work in about 150 to 200 words.

**Keywords:** Keyword 1, Keyword 2, Keyword 3, Upto 5 keywords

## I. INTRODUCTION

Manuscript must be prepared in formal English with average length of 4-6 pages including of Figures, but not limited. Main text must be in the form of Times New Roman with font size of 12.

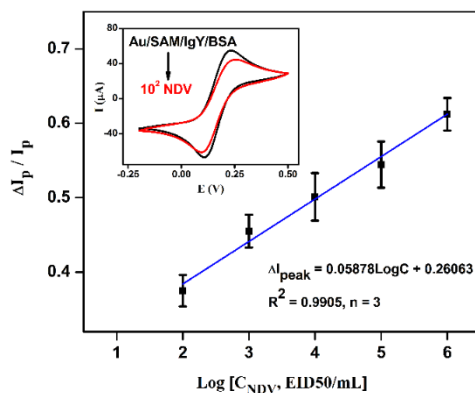

## II. EXPERIMENTAL

A. Subtitle 1 ; font size of 12

B. Subtitle 1; font size of 12

## III. RESULTS AND DISCUSSION

A. Subtitle 1 Material characteristics; font size of 12

**Figure 1.** Times New Roman font size of 10

B. Subtitle ; font size of 12

## IV. CONCLUSION

## ACKNOWLEDGMENT

The current work was financially supported by the Application-oriented Basic Research Program (2009–2012, Code: 05/09/HĐ-DTĐL).
